

My heart longs for absolute surrender

Consecration—Surrendering All to the Lord

(Guitar)

1. My heart longs for ab - so - lute sur - ren - der
That I'd whol - ly con - se - crat - ed be,
Not in word a - lone but all my be - ing
Would be ful - ly giv - en un - to Thee.

2. There is little willingness within me
To place all I am before Thy feet,
So I lay my hands on Thy dear head, Lord
As the burnt offering, perfect, complete.

3. Lord, You are the only One who offered
Yourself without reluctance unto God;
Full obedience to the Father given,
Absolute, You sacrificed Your all.

4. As this One, You're dwelling in my spirit;
Moving, spreading outward day by day.
There's a whisper of Amen within me
In response to all that You would say.

5. I say Yes and give You full permission
To touch every corner of my heart;
Break through all the barriers in my being;
Do not let me withhold any part.

6. 'Tis my joy to give You all the ground, Lord;
Make my heart a dwelling place for You;
I want You to be at home within me;
Come and settle down in every room.

7. Lord, do cleanse my heart from all self-seeking
That I'd truly want nothing but Thee;
Let my soul be occupied, possessed, Lord,
That You would be magnified in me.
