

# A Person of Life

## Experience of God—As Life

1. When I first be - lieved, and His life I re - ceived, The seed was sown in - to  
me. Now this seed must grow, and this zo - e life flow As on to ma - tu - ri -  
ty. **Chorus** (C) Am I a per - son of life? Do I ex - pe - ri - ence life? Does my liv - ing bear the is - sues of life?  
Good trees bear good fruit; Healthy plant, healthy root; Oh Lord! The ground in my heart!

2. We know that life's seed is growing indeed  
When fruits of life are expressed  
Such as virtues of joy, peace, faithfulness, love.  
Does my daily life pass the test?
3. When these virtues show others surely will know  
The beauty of life will shine,  
And the gospel word of life will be heard  
Bringing many to know life divine!
4. Lord grant me today, a new start in this way.  
A person of life I would be—  
Just expressing You in all that I do.  
Oh may this life flow out of me!
