

But God commends His own love to us

Scriptures for Singing

(Guitar)

But God com - mends His own love to us in that while
we were yet sin - ners, Christ died for us.
Much more then, hav - ing been jus - ti - fied now in His blood, we
shall be saved through Him from the wrath.
For if, while we were en - e - mies, we were re - con - ciled to God,
to God through the death of His Son, much more, much more,
hav - ing been re - con - ciled, we shall be saved in His life.
We shall be saved in His life.
