

## Two Kinds of Walk

### Experience of Christ—Walking with Him

(Guitar)

**A**                      **E**                      **F#m**                      **D**                      **A**                      **E**

1. The first walk    in verse six-teen    means “Tread-ing    a-round”,    “Walk-ing    at large”,    Ha-

**F#m**              **D**              **A**              **E**                      **D**              **E**                      **D**              **E<sup>7</sup>**              **A**

bi - tual-ly,              gen - 'ral-ly    A              com - mon walk—              for our dai - ly life.

**A**              **E**              **F#m**              **D**              **A**              **E<sup>7</sup>**                      **F#m**    **D**    **E<sup>7</sup>**

(C) Liv-ing,    act-ing,    hav-ing    our be-ing    ac-cord-ing    To the spir - it,

**A**              **E<sup>7</sup>**                      **F#m**              **D**                      **A**              **E<sup>7</sup>**                      **A**    **D**    **A**

*Pe-ri - pa-te-o*                      and *Sto - i-che-o*                      There are two kinds of walk.

2. The walk in verse twenty-five means  
“Marching in rank”,  
“Keeping in step”,  
Deliberately, purposefully  
An ordered walk—to fulfill God’s goal.

3. The Spirit Himself should be—  
Our rule and our way,  
Our principle, goal  
Constantly, following  
The inner sense—of life and peace.
