

# Consider Your Ways

## Scriptures for Singing

*(Guitar)*

**C**                    **Em**                    **Am**                    **Em**                    **F**                    **G**                    **C**  
If we do not have the heart to take care of God's house for His sat - is - fac - tion,

**C<sup>7</sup>**                    **F**                    **G**                    **Em**                    **Am**                    **F**                    **G**                    **C**  
No mat - ter            how much we eat or drink            or how well we dress,

**C<sup>7</sup>**                    **F**                    **G**                    **Em**                    **Am**                    **F**                    **G**                    **C**  
There will be no sat - is - fac - tion; if we ne - glect the church—

**C<sup>7</sup>**                    **F**                    **G**                    **Em**                    **Am**                    **F**                    **G**                    **C**  
Thus says Je - ho - vah, Con - sid - er your ways. Go up to the moun - tain and bring wood,

**C<sup>7</sup>**                    **F**                    **G**                    **Em**                    **Am**                    **F**                    **G**                    **C**  
And build My house, and I'll take plea - sure in it, And will be glo - ri - fied.
