### 2. Raise up a generation

In Thy recovery  
To see the high peak vision,  
And live accordingly;  
The vital groups in function  
Thine instrument to be,  
To end this dispensation  
And turn the age for Thee.

### 3. Bring forth a corporate model

As Zion's peak today;  
Produce Thine overcomers  
To take Thine ordained way:  
Train and perfect this remnant  
To consummate this age,  
Prepare Thy corporate army  
To fight, Thy warfare wage.

### 4. Build up Thy corporate Body

In each locality;  
Prepare Thy Bride made ready,  
And host to fight for Thee;  
Raise up Thy corporate beachheads  
And stepping-stones in them  
To usher in Thy kingdom;  
The New Jerusalem.
