| <p>2. By Thine indwelling mutually
Thou doth exist essentially;
Thy will to bring humanity
Into this sphere economically.</p> <p>3. Through incarnation in the Son
This realm was first seen in the flesh;
Within Christ's body physical
The Godhead's fullness manifest.</p> <p>4. His human life did manifest
Coordination beauteous:
One acted, Three did operate
In harmony so marvelous.</p> <p>5. Through death and resurrection was
This life divine in full released
To form Thy Body mystical,
This realm divine to thus increase.</p> <p>6. This habitation's Thine abode,
Thy Body mystical, divine,
Enlargement of our Father's house,
The Spirit's child, Son's spreading vine.</p> <p>7. Thy final form the Spirit is,
The realization of the Son;
With Thee we're blent, divine-human
Incorporation to become.</p> <p>8. Thy Spirit into ours has come,
One mingled spirit formed, become
The Body, Father, Spirit, Son—
An entity that's Four yet One.</p> | <p>9. By Thine own glory, life, and word
Here we are all thus one in Thee;
Such oneness doth reflect Thine own,
The oneness seen among the Three.</p> <p>10. God's love, Christ's grace, the fellowship
Of Holy Spirit, reaching man
As living water, issue from
The throne of God and of the Lamb.</p> <p>11. This fellowship of life divine
Our Father and His Son have shared;
We're called into this fellowship,
Which the apostles have declared.</p> <p>12. The Spirit with our spirit is
The factor for us to be one,
The key to live the Christian life,
And secret of our salvation.</p> <p>13. The ministry of Christ in full
Within this realm is carried out,
And God's complete salvation too
Within this sphere is brought about.</p> <p>14. In all their living and their work
This mingled life th' apostles sought,
The Triune God to manifest
In character and service wrought.</p> <p>15. In all our living and our work
So we must also do the same,
In daily life, we would make this
Our top priority and aim.</p> | <p>16. As therefore we have thus received,
So in all things we walk in Thee;
Thine all-inclusiveness to grasp,
We call and pray unceasingly.</p> <p>17. We live in Thee and Thou with us
In two-way traffic mutually:
In Thee we live, exist, and move,
Abide uninterruptedly.</p> <p>18. Thy name which Thou hast given us
Denotes Thy Person as our sphere,
Sum total of Thy Being, Lord,
Into which we've been gathered here.</p> <p>19. Thou art in us Thy kingdom too;
With joy and peace and righteousness.
Eternal life's totality,
The church life, sphere in which we're blessed.</p> <p>20. The New Jerusalem will be
This realm's domain perpetually;
Thou in the Father, we in Thee,
And Thou in us eternally.</p> <p>21. O, may we see, experience
The realm of Thine economy
In all the details of our life
To practice living one with Thee.</p> |
