2. I was seeking the world and it's things,
I was wealthy and yet could not see
It was Christ I desired,
Of the world I was tired,
He loved me and came to my house!
Jesus loves me and saves all my house!

3. I was happy with friends, all my mates,
With my music, wild parties and dates;
Yet when Christ came to call,
I have gladly left all!
He loved me and He gave His all!
Jesus loves me, I answer His call!
