 Thus our friends and neighbors gain;
 House to house with vital partners,
 That our new ones will remain.
3. We must ever preach the gospel,
 Cherishing and nourishing;
 Loving them as our dear children,
 As our priestly offering.
4. We must ever preach the gospel
 By perfecting in the homes
 Through the word and prayer and singing,
 Never laboring alone.
5. We must ever preach the gospel,
 Learning how to prophesy
 For the building of the Body,
 Thus the Lord to glorify.
