

Lord we yearn for Your display

The Church—Her Propagation

1. Lord we yearn for Your display On the earth as Your a -
bode, Your au - thor - i - ty and grace In the church - es, in Your
home. Ev - ery na - tion, ev - ery place, May Your name, Lord, be ex -
told That Your king - dom may in - crease, That Your glo - ry may be
told. That Your king - dom may in - crease, That Your glo - ry may be told.

2. How can we complacent be

When Your churches are so few?
Let us spread thru all the land;
Make us faithful, make us true.
Send me, Lord, unto Your work;
Let me gain a harvest grand
That Your kingdom might be spread,
And Your testimony stand.

3. Lampstand brightly shining forth

In the darkest hour of night,
Bringing hope and radiance sure
To a world of pain and strife.
Let us corporately come forth,
Let us wage the worthy fight
That Your building might be built
And the world may see Your light.

4. Churches spread throughout the earth

As a stand of living trees,
Full of life and full of fruit,
Comfort, healing in their leaves.
May we plant in thirsty hearts
Living kingdom gospel seed;
May we water, may we build
And Your great commission heed.

5. Rise up early and go forth

To the vineyard and the field;
Pomegranates here abound,
And the vineyard is revealed.
With the One we call Beloved
There to labor, give our all,
In the villages to lodge,
There fulfill our Master's call.
