3. Still upright now we stand, no scent of smoke have we;  
Resolutely we stand, face set steadfastly.  
Giving up all the world, run to joy set before,  
Each step fills us with hope and glory more and more.

4. We stand boldly today, with pure heart testify,  
We stand boldly today, spirits are upright:  
I love Him, no regret: His life for me He gave;  
Faith grows more steadfast yet:  
He's ne'er my trust betrayed.

Lord, once more I'd give myself unto Thee;  
Be the grace and willingness in me,  
Shine forth light and reality  
And on Zion's highways lead me.
