2. The New Jerusalem is in reality
 The church with Christ as Head in God's economy;
 The content of the church must be the kingdom life,
 Expressed through all the saints experiencing Christ.
3. The New Jerusalem is builded in the Lord,
 A company in Christ established in the Word;
 As fellow citizens, God's kingdom manifest,
 In spirit live and walk, and enter Sabbath rest.
4. The New Jerusalem, the bride who is prepared,
 Is beautified by Christ, to be His wife, matured;
 In nature and in life she must in stature grow
 And in the Body live, the Body-life to know.
5. The New Jerusalem, eternal, builded bride,
 From self she is delivered from independent pride;
 Her righteousness is Christ yet in her daily life
 She manifested God, and lived and worked in Christ.
6. The New Jerusalem, the city and the bride,
 Remains in God forever, forever to abide;
 A city that is holy, in God one entity,
 And shining forth with Christ unto eternity.
