2. "I will be God to them" declares the Lord,  
Christ, our inheritance, described in the Word;  
"And they will be to Me a people," possessed,  
As God's inheritance, His riches, expressed.
3. "For all will know Me," and consecrate,  
Even the little ones and also the great;  
All have capacity to live such a life,  
All live in oneness, abiding in Christ.
4. "I will propitiate," forgiving all sin,  
Cleansing the inward parts and washing within;  
Christ's efficacious blood has set us free,  
Restoring fellowship, for eternity.
