2. “I will be God to them” declares the Lord,
Christ, our inheritance, described in the Word;
“And they will be to Me a people,” possessed,
As God’s inheritance, His riches, expressed.
3. “For all will know Me,” and consecrate,
Even the little ones and also the great;
All have capacity to live such a life,
All live in oneness, abiding in Christ.
4. “I will propitiate,” forgiving all sin,
Cleansing the inward parts and washing within;
Christ’s efficacious blood has set us free,
Restoring fellowship, for eternity.
