shin - ing gold - en lamp - stands, Ful - fill - ing Your heart's de - sire to - day.

2. Lampstands, gold living trees, incarnate God,
With God's nature, show forth resurrection;
Planting new church trees, to all earth spreading;
Sprouting, growing and blooming, bearing fruit;
The seven lampstands: one form, one nature;
Testimony, expression are but one;
Fellowship and move all are in one flow;
Just one ministry, and one Body.
