My fu - ture is vain— my des - ti - ny's Christ; Christ is ev - ery - thing!

2. The people who know their God
Will rise up and show strength!
People who thus know their God
Will take action and move!
We will spread You, Lord, through the earth.
Lord, make us faithful to the end,
Our life and our all be utterly spent,
Spent for the church.
3. Who'll bring Your kingdom to come?
These whose hearts are burned with fire.
Who will fight the spiritual war?
They descend as mighty ones!
O Lord Jesus, capture our hearts;
Lord make Your desire our desire!
Your worth's nothing less than all of our life!
Our life's to bring You back!
