

# The Man on the Throne

## Praise of the Lord — His Exaltation

1. We gath-er here re-mem-ber-ing, Lord, You are all in all.  
 Our hearts cry out in love toward You. We bow the knee with -  
 al. (C) Noth - ing on earth com - pares to You, In all cre - a - - tion  
 too. You are the mean - ing of our life, Of all we are and do.

2. You captivated us and now  
 We follow in Your train.  
 We are Your people, You're our God.  
 In us do rule and reign.  
 You are the man upon the throne  
 Set there by God alone.  
 God planned and willed that You be Head,  
 The Lord of all made known.

3. Those God foreknew, He set apart  
 To be conformed to You,  
 That You would be His firstborn Son  
 And we Your brothers true.  
 You conquered death and rose with might  
 Ascending to the height.  
 You carry out God's will on earth,  
 Enthroned in glory bright.

4. Lord, as the God-exalted man,  
 The ruler of all kings,  
 Your government fulfills God's plan,  
 And utmost headship brings.  
 You, as God's heir, uphold all things.  
 Our heart in worship sings.  
 You make God's substance known by all  
 As from Your throne life springs.

5. Our pioneer and forerunner,  
 You clearly cut the way  
 Unto God's throne and reign by life.  
 To this, "Amen," we say.  
 You take the lead, we follow You.  
 No other way will do,  
 For God intends to glorify  
 And seat us there with You.

6. Under the ruling of Your life,  
 We too will reign as kings,  
 Saved by Your grace abundantly,  
 Upheld on eagle's wings.  
 God's gift of righteousness received  
 By us who have believed,  
 We'll testify eternally  
 Your rule is all we need.
