2. Time after time He has called me;  
Now His footsteps I'll take willingly;  
Lord, leave me no longer unbroken,  
Let Your life have its full way in me.  
Sow me in the ground;  
Resurrection will bud in life!  
Then fruit will abound,  
Hundredfold 'twill multiply!  
Time after time He has called me;  
Now His footsteps I'll take willingly;  
Lord, leave me no longer unbroken,  
Let Your life have its full way in me.
