2. Everything in You we find;  
Perfect rest and peace of mind.  
No more worry where to be,  
For our lives are hidden, Lord, in Thee.  
All opinions You'll erase,  
And this natural man abase.  
One new man then, Lord, we'll be;  
Christ in us the hope of glory.

Lord, we just love You,  
Fill our hearts, renew,  
As Your Body true,  
Representing You.
