

Eat the Scroll of God's Word

Study of the Word — Feeding on the Word

1. God dis-pens - es rich - es To us in His word,
 Feeds our in - ner be - ing; Growth in life is spurred.
 God Him - self is min - gled With us as we dine,
 Con - sti - tut - ing us with El - e - ments di - vine.

2. Find the word and eat it,
 Letting it become
 Both our joy and gladness,
 Present and to come.
 God with life supplies us,
 Nourishing and sweet,
 To feed others with His
 Life supply complete.

3. All that God has spoken
 Treasure in your heart.
 Go and speak with blessings,
 God to man impart.
 Let God's word, devoured,
 Fill your heart and soul;
 Pour out from the storehouse
 Found within the scroll.

4. Every word of Scripture
 Is a worthy prayer,
 Matchless in expression,
 Gateway to God's care.
 Fill each inward part with
 God's indwelling word;
 Let it touch your conscience,
 Fellowship assured.

5. Let God's light shine deeply,
 Inward parts to search.
 Then, with revelation,
 Speak to build the church.
 God in Christ is speaking
 In His awesome move;
 As four living creatures,
 We His speaking prove.

6. Eat the scroll of Scripture!
 Utter what God speaks!
 Prophecy in spirit,
 Strong in word, yet meek,
 Faithfully discharging
 Life to all who hear,
 In divine dispensing,
 Filled as God draws near.

7. Take the scroll now opened
 In the hand of Christ
 And with glad reception
 Eat the words of life.
 Every word proceeds out
 Through the mouth of God,
 Oracles of utterance
 Ministering God.

8. God dispenses riches
 To us in His word,
 Feeding us for building,
 In God's life secured.
 By this rich dispensing,
 God supplied within,
 We become God's building,
 New Jerusalem.
