

Keep Spreading, Lord

Longings — For Growth in Christ

1. In my love for You, Through Your love for me, O-ver-flow-ing from with-in,
 In my touch with You, Be-ing touched by Thee, I'm a-bid-ing, graft-ed in;
 Now Your life bears fruit; It's sur-pass-ing all I could say or do;
 Keep spread-ing, Lord. Keep spread-ing, Lord.

Bridge after 2
 Keep spread-ing through my mind, My e-mo-tion, will, Ev-ery
 day re-new-ing My being till I'm ful-ly sat-u-
 rat-ed with You.

2. As I dwell in You,
 You're indwelling me;
 That Your building work increase.
 As I'm born of You,
 You've been born in me,
 That full-growth, this life would reach.
 So I open wide,
 Ever more abide,
 In my every part.
 Keep spreading Lord,
 Keep spreading Lord.

(Bridge)
 Keep spreading through my mind,
 My emotion, will,
 Every day renewing
 My being till
 I'm fully saturated with You.

3. In my heart for You,
 Through Your heart for me,
 From eternity through time;
 In my work for You,
 Through Your work in me,
 I am resting in the vine.
 I now clearly see
 All things sovereignly
 Work toward Your goal;
 So till You return,
 Keep spreading Lord.
