2. This naturalness within
Disguises my intentions.
It's a mixture of soul.
Show me where You lie
And I'll discover there
Alone my hearts true delight,
Alone my hearts true delight.

3. May I not rush the night;
Though signs I may not see,
Yet Lord I trust You will
End my soulish source
And with the morning light
Resurrection will remain,
Resurrection will remain.

4. So I resign this day
The ruling of my life;
Lord, You will meet my need.
Faithful unto God,
You make me so content
When Your heart's satisfied.
When Your heart's satisfied.
