

Live Through Me, Lord

Experience of Christ — Expressing Him

1. Live through me, Lord! Though old man's ter - mi - na - tion
 Brought to an end my life a - part from Thee,
 Yet, joined to Thee, I still need trans - for - ma - tion
 To shine Thee forth with all saints cor - p'rate - ly.

2. Live through me, Lord; let self no longer bind Thee;
 Remove all traces of its hold on me.
 Be magnified in every word and action;
 In me, Thy living manifested be.
3. Live through me, Lord; my soul be emptied wholly,
 All pleasures and self-seeking put away;
 Be Thou my aim and satisfaction solely,
 Our loving union e'er through me convey.
4. Live through me, Lord, and make my heart Thy dwelling,
 Each chamber fully occupied by Thee;
 Thought, feeling, will, infuse with Thee completely
 Till we've one living out unceasingly.
5. Live through me, Lord; stop independent action;
 Each breath, each step, would in Thy Body be.
 Build us in Thee till we're Thy full reflection,
 Thy corporate one new man eternally.
