2. God's loving seekers can receive  
 The water in God's Word;  
 As we are watered in the Word  
 God's person is absorbed.

3. God's loving seekers, in the Word,  
 Receive the Spirit's breath;  
 When we inhale the living Word  
 We exhale sin and death.

4. God's loving seekers will enjoy  
 Great blessing rich and full;  
 God as the Author is conveyed,  
 Our portion, wonderful.

5. The loving seekers of God's Word,  
 Will often see God's face;  
 His countenance, when lifted up,  
 Infuse His loving grace.

*(Do not repeat Chorus after verse 5)*
