Union with Christ — One with Him

(Guitar: Capo 3)

1. Lord Je-sus, thank You for this ver - y day, I do be-lieve in You; I do love You.
 Thank You that I can know what's in Your heart: You want to make me one with You.
 I o-pen my en-ti-re in - ner being, My ev-ery in-ward part is just for You.
 Is there a part You have not en - tered yet? I need Your shin-ing to re-pent.

Chorus

(C) Lord, here I am, I'm en - ter - a - ble. Sat-u-rate me and pos-sess me to -
 day. Gain me, in - crease more in me, Make Your-self thus one with
 me. Lord, make me You, in life and na - ture, De - i - fy me, Lord, and Christ-i - fy
 me, Son - ize me e - ven to - day, For Your dear Bod - y's sake.

2. Thank You for showing me Your heart's desire:
 You would be one with me—I say, Amen!
 You're fully able to accomplish this;
 Today, I give myself to You.
 To not live contradiction, I agree—
 With any kind of friction in my being.
 In all the ordinary things of life,
 Lord, make me always one with You.
