 lee! Just be - lieve! Be set  
 free! In the Ju - bi - lee!

2. Through Christ's words of grace and mercy,  
 There's no shortage, lack, or worry,  
 Don't be bothered, vexed, or feel anxiety;  
 In the Jubilee of grace where  
 All our debt has been erased there,  
 We are happy, joyful, filled with ecstasy!

3. When Christ is our satisfaction  
 And our one unique attraction,  
 Christ, the Savior, has become our Jubilee;  
 Everything is satisfying  
 When in all Christ is supplying  
 All the riches found in God's economy!
