

Lord, I open to Your light

Longings — For Christ as Light

(Guitar)

1. Lord, I o - pen to Your light That I van - quished
be. Mend with balm a - noint - ing life;
Build Your - self in me, And adorn my be - ing.

2. I would walk as if one blind,
Faith my only guide,
Understanding cast behind,
As a veil of night,
That I know real sight.
3. Sun of revelation, rise!
Gush, O vital stream!
That by light and flowing life,
Living I would be,
Fully one with Thee.
4. Fruit most fragrant may You find,
Bursting with Your life,
Fully ready, wholly ripe,
Pleasing in Your sight;
You I would delight.
5. Come, dear hand of mercy, bring
Grace full supply!
For a love-filled out-pouring
Of my very life
On Your Body, Christ.
