Chorus: (C) Mem - bers

2. Christ is Head of the Body; we're His members true.
When we hold fast the Head, life freely flows.
As we're daily enjoying, we with Christ are infused,
All His heart for the Body we'll know.

3. For the sake of Your Body, Lord, unveil our eyes,
Deal with self, all the ground to You we give.
Save us from independence and all natural ties.
Blend us all in Your Body to live.

4. One with Christ in His Body, in the rich supply,
Every part causing growth in love each day.
Thus God's purpose eternal will be realized—
Christ expressed through His Body for aye.
