2. The Jubilee is Christ the feast,
Enjoyed by all who eat;
We take Him as our dwelling place
To have true rest and peace;
The secret of the Jubilee
Is gaining Christ, our rest;
With Christ in us and us in Christ,
Our life is really blessed.

3. The living in the Jubilee
Is Christ lived out in us;
Through every trial and circumstance,
Christ reigns victorious;
Release your voice, proclaim the news
To all the captured ones,
Rejoicing, thanking, praising God
Until the kingdom comes!
