

# Living by the Grace of God

Longings — For Grace

1. Lord, keep me liv - ing, through deep sor - rows and steep joys,  
My hu - man life is filled with days of dark - ness, days of  
songs. What's the pur - pose? What's the rea - son for all this?  
Lord, it's on - ly by Your grace, by the grace of God I'll  
live. (C) Keep me liv - ing by the grace of God,  
Make this a re - al - i - ty, Christ liv - ing in me. Keep me  
liv - ing by the grace of God,  
For the re - al - i - ty, of the Bod - - y of  
Christ.

Chorus

2. Lord, Your grace, is flowing from the throne,  
Not material gifts, nor blessings, but the processed Triune God.  
God the Father's boundless riches, God the Son an endless spring,  
God the Spirit's ceaseless flowing thus the Triune God to bring.

Keep me living by the grace of God,  
Make this a reality, Christ living in me.  
Keep me living by the grace of God,  
For the reality, of the Body of Christ.

3. Lord, Your Body, must become reality,  
Through every member functioning to build up Your Body.  
So defeat us, and subdue us, open vessels, Lord we pray,  
As stewards of the grace of God, Lord build us up today.

Keep us living by the grace of God,  
Make this a reality, Christ living in us.  
Keep us living by the grace of God,  
For the reality, of the Body of Christ.
