

# Refuge from the Wind

Experience of Christ — Resting on Him

(Guitar)

And a man will be like a refuge from the  
wind, And a cov - er - ing from the tem - pest,  
Like streams of wa - ter in a dry  
place, Like the sha - dow of a mas - sive rock  
in a wast - ed land.  
Christ is that Man as our ref - uge,  
He is our shield from the tem - pest,  
He is our com - fort, sat - is - fac - tion and sup -  
ply in a dry place,  
He is our shade from all the heat  
in a wast - ed land.
