2. When alone, You're my song.
In my weakness, Lord, You are strong.
When there's doubt then, as faith You come.
Now I have hope, You're the One.
3. In the storms, You're the calm.
In my pain, Lord, You are the balm.
In self-pity, as light You'll shine,
Filling me with love divine.
4. Praising You, is my joy.
You're the pure One, without alloy,
Showing me, Lord, Your wondrous love,
When You came down, from above.
5. Now in me, all in all,
For this living, Your Name I'll call.
O Lord Jesus, for growth I'll pray.
By Your Spirit, that's the way.
