

# Steal Me Away

Hope of Glory — Preparing for Christ's Return

**Chorus**

(C) Steal me a - way, I want to be well - pleas - ing to You.  
 Through all my time with You, would You fill me through and through?  
 You're com - ing as a thief, my house will be bro - ken in - to, so  
 while I still have to - day, make me pre - cious to You.  
 1. Lord, res - tore the years the lo - custs have eat - en.  
 You re - deemed me from a life that is fleet - ing;  
 A life of much ac - tiv - i - ty, but no concern for Your deep need. May we  
 find grace like No - ah in Your eyes.

2. We can choose, will we be foolish or prudent  
 Vessels filled when we go forth to meet Him?  
 We'll be with our Bridegroom sweet, and we'll enjoy the wedding feast.  
 May we grasp every opportunity.
3. When we rise, we must make time in the morning.  
 Lord, You'll hear, our voices singing and praising.  
 Lord, grow in us day by day, make us stones, transform the clay;  
 Constitute us the men of preciousness.
4. We must not forsake assembling together  
 As we see the day draw nearer and nearer.  
 Thus together we'll possess, the vast dimensions of this Christ.  
 May we be those who hasten Your return.
