Chorus

(C) Be what we can - not be, Do what we can - not do,

Give what we can - not give for the church.

2. As receivers of grace, we're filled with Him
And we're made stewards of God's grace.
This grace is to me, but it is for you
For us to build the Body together.

No longer separate,
Now we're dependent;
Corporately building
the Body of Christ.
