2. O Seven Spirits, earnest I beseech Thee!
O burning fire, set all my heart ablaze!
Search all my being, from my self deliv'ring;
O Morning Star, direct through all my days.
Search all my being, from my self deliv'ring;
O Morning Star, direct through all my days.

3. Affix mine eyes, that I behold Thee only;
Strengthen my spirit, with me ever stay;
Lord, set my steps to walk Thy path, unswerving;
Hold fast my hands, unceasingly to pray.
Lord, set my steps to walk Thy path, unswerving;
Hold fast my hands, unceasingly to pray.
