Shined, while in darkness I strayed, And, as “great light,” drew me nigh,

Cleansed and for - gave when I prayed; En-tered me, filled me with life!

(C) Shin - ing in me! Shin - ing in me!

Je - - sus my Sav - ior, shin - ing in me!

2. His Word enlightens my ways;
His Word the Spirit imparts;
Here, as we meet face to face,
Glories of Christ fill my heart!
His words are spirit and life;
Fill me with radiance divine!
Bright Morning Star here I find;
Rising in this heart of mine!

3. The Triune God in me shines,
Increase of glory bestows;
His life and mine intertwine,
Till in His image I glow!
With all the saints in His light,
Ruled by His sweet flow of life
Till, in us no trace of night,
We as that City shine bright!
