2. What a mystery,
Wonderful mystery,
Our God is Spirit,
He flows the Son to me!
Calling Jesus' name, we get all three,
Praise the Lord for His divine Trinity!

How I love His name, "Oh Lord Jesus!"
When I call He comes to me,
As the Spirit from and with the Father,
Oh, the Triune God reaches me, even me!

3. What a mystery,
Wonderful mystery,
The Triune God has,
Incorporated me,
As a member I'm in the Body,
Reconciled through His divine Trinity.

Hallelujah He is dispensing,
Hallelujah all His being,
One with Him we stand as His own Body,
Oh, the Triune God has the church eternally.
