2. As we pursue, and trials face,
 Your sov'reign mercy we can trace.
 We're open vessels, consecrated.
 Living Spring, come permeate us.
 Inscribe Your law, our mind renew;
 Come sanctify us wholly, too.
 We'll watch, buy oil now, "today," feast's entrance gain;
 Virgins, echo You—"O Lord, come soon!"

3. Today You call for instruments
 Who will respond, Your heart reprint,
 Be vital, fervent, overcoming,
 Time redeeming ev'ry instant.
 As stewards, timely food dispense;
 As servants, wisely to invest;
 Perfected, functioning, we build corp' rately,
 Blend, coordinate, new man to be.

4. These final days, Your call we heed,
 As remnants, standing mightily.
 The arrow's fired; the fight's decided;
 The white horse in triumph rideth.
 High gospel to all earth declare!
 We'll migrate, spread, His witness bear;
 We'll forward race with bold strides, stake our whole lives,
 Kingdom's entrance share, glory fore'er!
