- 2. As we pursue, and trials face,
  Your sov'reign mercy we can trace.
  We're open vessels, consecrated.
  Living Spring, come permeate us.
  Inscribe Your law, our mind renew;
  Come sanctify us wholly, too.
  We'll watch, buy oil now, "today," feast's entrance gain;
  Virgins, echo You—"O Lord, come soon!"
- 3. Today You call for instruments
  Who will respond, Your heart reprint,
  Be vital, fervent, overcoming,
  Time redeeming ev'ry instant.
  As stewards, timely food dispense;
  As servants, wisely to invest;
  Perfected, functioning, we build corp' rately,
  Blend, coordinate, new man to be.

4. These final days, Your call we heed,
As remnants, standing mightily.
The arrow's fired; the fight's decided;
The white horse in triumph rideth.
High gospel to all earth declare!
We'll migrate, spread, His witness bear;
We'll forward race with bold strides, stake our whole lives,
Kingdom's entrance share, glory fore'er!
