A love that is al - ways there.

2. Lord, You are always in control,
Able to calm my troubled soul,
And would my fears be here at all
If I just turned to You and called?

Oh! Oh, Hallelujah! A love so real.
Oh! Oh, Hallelujah! A love so rare, the way You care,
A love that is always there.

3. Lord, keep me always by Your side;
Guard me from all that would divide,
And light a fire deep in me,
Burning to seek You desperately.

Oh! Oh, Hallelujah! A love so real.
Oh! Oh, Hallelujah! A love so rare, the way You care,
A love that is always there.

4. Taking more time to call Your name,
Praying that more of You I'd gain,
Watching all things just pass away,
I cannot waste a single day.

Oh! Oh, Hallelujah! The time is now.
Oh! Oh, Hallelujah! The days are few, the world is through,
Lord, keep my heart turned to You!
