2. Your Spirit with my spirit is the key—
A mutual dwelling place for You and me!
By this organic union that we share
We have become by grace one loving pair.

3. By faith I have been joined to You, dear Lord,
Now our two spirits are in one accord!
Thus joined and mingled, I abide in You,
In thought, intention, and in all I do.

4. "Abide in Me and I'll abide in you,"
Both a commandment and a promise true!
We may much fruit unto the Father bear
As we abide in Him whose life we share.
