2. Lord Jesus, free me today
 From world and sin—all vanity—
 To pursue You, Your reality;
 Let me say, "You now live in me"
 And "It's no longer I who live;"
 But dear Jesus, grace me today.
 Let me live You out, Lord;
 Let me magnify You through me.
 I'll let You; Lord, be my replacement.

Now my daily life, I've seen;
 It's devoid of Your dear life, Lord.
 I need You, Lord. Oh! Jesus, do fill it.
 Yes, fill it—still I'm short of this—
 Until I'm full of life,
 Mature, and one with You eternally.

3. Lord, thank You for Your mercy;
 Your grace, it's true, sustains me.
 Lord, I realize I'm weak and faint.
 I need You, Jesus; speak today;
 Come and infuse me more each day.
 Lord I realize, I'm full of taint.
 Increase more Your weight, Lord.
 Let Your glory shine upon me.
 I'm open; Lord, make me Your treasure.
