 Spir - it in me, As I love and o - bey Him, His Spir - it is re-leased in me,
 Christ is the life - giv - ing Spir - it in me.

2. Christ gave up His life to bring the Father into me,
 Upon the cross He has died in my place,
 And He rose from the dead, Son of Man now to be glorified,
 Christ as a man, now the Spirit of God.
3. Christ now as the Spirit, with the Father in the Son,
 Now in my spirit He dwells within me,
 And He gives life to me as I seek Him each and every day,
 Christ now the life-giving Spirit in me.
