**Chorus**  
(C) How long! How ver - y long You've wait - ed pa - tient - ly for me,  
How long! How ver - y long You've wait - ed  
for Your bride to be. (How long)

2. Keep my lips (so quick to anger) full of grace to speak forth You,  
Keep my ears firmly planted in my spirit to hear You,  
By Your blood, cleanse me from my every sin,  
By Your word, sanctify me more and more within.

3. Set my hands in constant labor on the land to bring forth You,  
Set my feet swift and able going forth to bring good news,  
On the cross, You have won the victory,  
On the throne, You're interceding every day for me.
