

# A Master of Dreams

## The Church — The Vision

1. A stand - ing sheaf, A shin - ing star. My  
dream re - veals Who God's peo - ple are. We're full of light, And  
life di - vine, We live in Christ, In  
us He shines. (C) A "mas - ter of dreams,"  
I choose to live in what I've seen. For  
Christ in me beams, A shin - ing star, a liv - ing sheaf.

Chorus

2. Though many fail,  
And fall to sin.  
It doesn't change—  
God's chosen them.  
We're not a judge,  
But shepherds true.  
We overcome  
So they can too.

3. The world is but  
A glance away.  
It speaks to me  
To sin each day.  
But I will flee,  
With others too.  
We reign as kings,  
The lust subdued.

Yes, I've seen the dream!  
I live in Christ and He in me!  
His word I believe!  
The vision's real and reigns in me.

4. We won't be swayed  
To love the world.  
Though ev'n betrayed,  
We'll gain the Lord.  
Restricted now,  
In grace He'll train,  
The coming age  
With Him to reign.
