2. In family life,
Save me from trying to please man.
Filial duties,
Financial burdens,
Lord, keep my joy amidst these!
What of these health conditions?
How to share? How to bear? How to care?

3. In the church life,
Save me from natural zeal.
"Strange fire," (Lev. 10:1)
Cultural standards,
Lord, replace these for the oneness!
How shall I shepherd another?
What to pray? What to bring? What to say?
