2. The law of life in me is spreading.
 Thus, my mind, emotion, will
 He's now conforming.
 So, I open to His working within me
 Til my whole being
 Bears the image
 Of the Son of God.

3. The life of God in me is reigning,
 And my natural life in Adam
 Is always dying;
 Now Christ person is maturing within us,
 As Christ's own Body,
 A duplication
 Of the Son of God.
