2. Trinity, Thou dost dispense—
God, my Savior, reaches me
And as Spirit saturates
Mind, emotion, will, complete!
Hast thou heard, and hast thou seen?
Heavens now are open wide!
God in Christ doth visit man,
As the Spirit—Stream divine!

3. As He floods me deep within,
Longings now are satisfied;
River of the ages mends
All my brokenness inside;
He restores, repairs the soul,
Cures my wounds with oil and wine;
In the center of this heart
Beats His pulse of life divine!
