2. The love of God poured out from God,
Through Christ into our hearts,
Is nothing less than Christ Himself
Who spreads through all our parts.

3. It covers, bends, endures all things,
Love's strength to last is great;
The love of God, like none on earth,
Cannot discriminate.

4. Now let this love, the love of Christ,
Support, sustain the weak;
Supply the love to build the church,
And care for all God's sheep.
