

I Only Need to Call

Longings — For Fellowship with Christ

(Guitar: Capo 3)

1. Oh Lord, Your Name is sweet! And from it flows A riv - er full of peace and light and life,
 As on it, I cast all my anx-ious woes. I need not think! I on - ly need to
 call. In this way, I am less, and You are all.
 I need not think! I on - ly need to call. In this way, I am less, and You are all.

2. It is so rich to call and to receive—
 To soak Your Spirit into all my being.
 As I absorb Your riches, I believe
 And You are real to me. Oh, but to know
 You, dearest Lord, and have a deeper flow!
 And You are real to me. Oh, but to know
 You, dearest Lord, and have a deeper flow!

3. You are a treasury of endless wealth,
 So readily accessible to me!
 How great! These riches constitute my health,
 My great supply, my strength, my life, my all—
 So effortless! I only need to call.
 My great supply, my strength, my life, my all—
 So effortless! I only need to call.

4. Continually soften all my heart
 To cling to You and to receive Your Word.
 Lord, make Your home in every inward part,
 And, as I call, make deeper every root
 That I might grow and bear You richest fruit.
 And, as I call, make deeper every root
 That I might grow and bear You richest fruit.
